

ST STANISLAUS' COLLEGE P&F ASSOCIATION

Aims

The Aims of the Association shall include:

- (a) The promotion of the close collaboration between the professional staff and the parents or guardians of children enrolled at the school, in order to further the cause of Catholic Education in a Vincentian tradition;
- (b) The giving of encouragement and support to parents/guardians in fulfilling their responsibilities for the Catholic and Vincentian education of the children;
- (c) The development of means by which parents/guardians may be helped to participate appropriately in the life of the College;
- (d) The provision of a forum:
 - (i) to assist the ongoing faith and educational development of the school community;
 - (ii) to enable discussion of any matters or issues relating to education. Recommendations resulting from these discussions may be submitted to the Head of College for consideration in policy-making.

Means

To fulfil these aims, the Association may:

- (a) Foster communication with all members to encourage their participation;
- (b) Assist the Head of College and Staff, where appropriate, in the development of school practices;
- (c) In forms approved by the Head of College, make contributions to the Schools' resources and maintenance of its facilities;
- (d) Organise social functions to enhance the community spirit of members;
- (e) Raise funds for these purposes through means approved by the Head of College.
