OUR STRATEGIC FRAMEWORK

A Safe, Connected Vincentian Community

By this everyone will know that you are My disciples, if you love one another. (John 13:35)

Christ is the foundation of the whole educational enterprise in a Catholic school. His revelation gives new meaning to life and helps all people to direct their thoughts, actions and wills according to the Gospel, making the beatitudes his norm of life. The fact that in their own individual ways all members of the school community share this Christian vision, makes the school "Catholic"; principles of the Gospel in this manner become the educational norms since the school then has them as its internal motivation and final goal.
(The Catholic School)

What does it mean:

- Christ is at the centre of all we are and do.
 - We bring the good news to all.
- Our relationships honour the gifts, talents, potential and dignity of each member of our community.

Indicators

- Our charism is enriched through our vibrant sacramental, liturgical and prayer life; our traditions, social justice initiatives, citizenship and ways of working.
 - We build capacity in the College and each other.
- We honour and care for each other through our relationships built on the command of Christ to love one another as he loved us.

High Performance Pedagogy and Outcomes

But the Advocate, the Holy Spirit, whom the Father will send in my name, will teach you all things and will remind you of everything I have said to you. (John 14:26)

Among all educational instruments the school has a special importance. It is designed to develop with special care the intellectual faculties but also to form the ability to judge rightly, to hand on the cultural legacy of previous generations, to foster a sense of values, to prepare for professional life.
