

ST STANISLAUS' COLLEGE

Student BYOD Requirements

Years 7, 8 and 9 Students: Mandatory Chromebook

Chromebooks are mandatory for Years 7, 8 and 9 students. They can be purchased from the St Stanislaus' College Technology Portal.

Parents/carers can also access the portal via the Technology page on stannies.com.

Years 10, 11 and 12 Students: Flexible Laptop options

Students may use a PC Laptop, MacBook or Chromebook.

If using a Chromebook it must meet the software requirements for selected subjects. Please contact the subject teacher for subject-specific software queries.

Devices available on the Technology Portal have been configured to provide students with the best learning experience possible. Devices for Years 10, 11 and 12 do not need to be purchased from the Technology Portal, however, any device brought to the College must adhere to the minimum specifications for BYOD technology, outlined over.

Hardware Features	Camera and microphone. These are necessary to ensure students can participate in 21st-century learning activities.
Screen Size	11.6" (measured diagonally)
Accessories	A carry case, protective case or skin is essential in maintaining the device. The case should not prohibit the device from being stored in the student's school bag.
Label	Each device should be labelled with student's name.

Additional Considerations

- iPads or similar tablet devices are not suitable for use at St Stanislaus' College.
- Student devices must have an attached or attachable keyboard.
- Mobile phones are not permitted in class and are not appropriate devices for learning.
- Students are expected to attend school every day with their device fully charged and in good working condition.
- All information regarding technology use at St Stanislaus' College can be found on the Technology page on stannies.com
