

## Student BYOD Requirements

### Years 7, 8 and 9 Students Mandatory Chromebook

Chromebooks are mandatory for Years 7, 8 and 9 students. They can be purchased from the St Stanislaus' College Technology Portal.

Chromebooks available on the Technology Portal have been configured to provide students with the best learning experience possible.

Parents/carers can also access the portal via the Technology page on stannies.com.

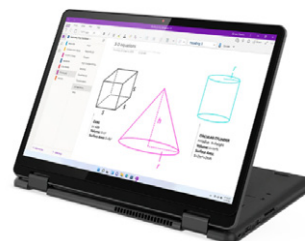

### Years 10, 11 and 12 Students Flexible Laptop options

Students in Years 10, 11 and 12 may use a PC Laptop, MacBook or Chromebook.

If using a Chromebook it must meet the software requirements for selected subjects. Please contact the subject teacher for subject-specific software queries.

Devices for Years 10, 11 and 12 do not need to be purchased from the Technology Portal, however, any device brought to the College must adhere to the minimum specifications for BYOD technology, outlined on the following page.
