ST STANISLAUS' COLLEGE

PARTNERING WITH STUDENTS, THEIR FAMILIES AND THE COLLEGE

Open communication between our students, their families and the College is essential to maximise student learning and development. This communication can occur through a variety of ways including phone calls, informal notes, interviews, letters, emails and formal reporting processes. College staff members will endeavour to respond to any parent communication within 24 hours.

In many instances the student's Tutor is best positioned to communicate meaningfully with a parent or guardian. A student's Tutor spends time with them on a daily basis and throughout the year will develop a mentoring role of students within their Tutor Group.

The following information will guide you to the correct person to contact with your enquiry. Staff contact details can be found within this Directory.

If you cannot find the staff member to contact or are unsure, please contact College Reception, 6331 4177.
